Dear Ms. Clemons and Mr. Matley:

The California Department of Transportation has completed the review of the following amendment to the Fresno Council of Governments' (FCOG) 2019 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
6	Local, State and Transit Transportation Systems

- This amendment modifies and adds projects in Fresno County funded from the Active Transportation Program, Congestion Mitigation and Air Quality Improvement Program, State Highway Operation and Protection Program, State Minor Program, State Transportation Improvement Program, Surface Transportation Block Grant Program and Federal Transit Administration (FTA) Section 5310 Program. It also adds performance measure language to support FCOG's targets for Bridge and Pavement Conditions (PM2) and System Performance, Freight, and Air Quality (PM3).

See enclosure.

The FCOG Board Resolution adopting this FTIP amendment confirms that it is financially constrained, meets requirements of public involvement procedures adopted by FCOG and all applicable transportation planning requirements per Title 23 Code of Federal Regulations Part 450 and satisfies the applicable air quality conformity requirements.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve FCOG's Amendment Number 6. I also recommend the Federal Highway Administration (FHWA) and FTA approve this FTIP amendment for inclusion into California's 2019 Federal
