6		Reconstruction and Rehabilitation Projects

- **ADA Compliance (\$4,512 annually, \$90,250 over life of extension)** Continue to improve ADA accessibility throughout the City of Firebaugh according to the approved Master Plan
- **Flexible Local Funding (\$124,416 annually, \$2,488,310 over life of extension)** Flexible funding can be applied to any transportation project eligible for funding under the California Streets & Highways Code including public transit, bikeways, trails, street and highway improvements, and other transportation programs and projects.
- **Leveraging federal, state, local funds** Local Measure C funds will be applied to leverage federal, state, and other local funds to address additional street maintenance activity within the zones, as well as other transportation improvements (street widening, transit enhancements, trails, bikeways, etc.)
- **Public Transportation Infrastructure Study (PTIS), Phase II** The Regional Public Transit Program will fund Phase II of the PTIS to design a consolidated public transit service for the metropolitan area and all of Fresno County, and identify how Fresno County residents can take advantage of new technologies and advances in public transit and land use planning.
